STAT

Thank you for your letter of 3 March concerning your father's interest in the possibility of becoming associated with our organization following his retirement from the Army.

Unfortunately, the situation is not at all encouraging at this time. As you may know, because of the "dual-compensation" law, we may employ only a very small number of retired military personnel. These positions are all filled, with no prospect of any opening in the foreseeable future.

Your interest is appreciated, and I am sorry that my reply cannot be more favorable.

Sincerely,

SIGNED

C. P. Cabell
